Our morning in Juneau is free to do a little shopping. This afternoon we will cruise the Inside Passage to Skagway aboard the Alaska Ferry. This narrow passage will define the route that the early settlers traveled, passing glaciers and icebergs en route to Skagway. A narrator from the Department of Natural Resources will be describing our passage; Skagway - the town that owes its birth to the 1797 Gold Stampede. Skagway's downtown historical district, false-fronted buildings, and boardwalk date back to the gold rush! Our overnight accommodations are in Skagway.

Our cruise ends in Whittier where our coach will meet us and drive through the tunnel at Whittier to Alyeska Ski Resort for the Aerial Tramway: a seven-minute ride taking you to an observation deck which provides breath-taking panoramic views of majestic mountains, hanging glaciers, sparkling streams, towering spruce, and an array of wildlife.
